ROMAN CATHOLICS IN THE U. STATES .- The Catholic Almanac for 1852 has full statistics of the Roman Catholic Church in this country, compiled mostly from official sources, from which it appears that there are in the whole United States 6 arch-bishops, 26 bishops, 1,385 priests, 1,411 churches, and a Catholic population of 1,980,000. which includes 115,000 in Oregon, the Californias, New Mexico, and the Indian Territory.

In England and Scotland there are 694 churches and chapels, and 972 priests, and in Ireland 5.205 churches and 2,252 priests.

Col. Ramsay, a Pennsylvanian, who served in the Mexican war, has entered into arrangements with the Mexican Government for the transmission of the United States mails and passengers to and from California, crossing from Vera Cruz to Acapulco. The line of stages is to connect with steamers on both sides, and passengers are expected to be taken by this route to California, from New York, in twenty-five days.
